

Friends of the CSJ Missioni

Dear all,

This year too, and a little early, we invite you to participate in the 2026 Christmas Campaign.

By promoting the purchase of solidarity panettone, we give **"A slice of the future"** to the girls of Songea, offering them an educational opportunity they would otherwise not have.

In Tanzania, less than half of women can read and write. For too many girls, schooling stops at elementary school: not for lack of talent, but of resources. For them, growing up means having to give up an education, a job, a different future.

The Panettone Solidale, by Flamigni, is a product of artisanal excellence, wrapped in an elegant ethnic fabric package hand-sewn by the women of the NewHope Cooperative in Caserta. Two stories of redemption in a single gesture: the girls of Songea who dream of going to school and the migrant women who found the strength to start over in Caserta.

We would like to invite all those actively participating in the packaging and distribution of panettone to send us photos and videos documenting their activities, so that we can share their solidarity efforts in this campaign, which is helping improve the lives of dozens of girls in southern Tanzania, eager to build a better future.

As always, to reserve your solidarity panettone, you can write to info@csjmissioni.it or call 338.8764285. Soon, you will be able to download and print the poster, spread the word about the project, and more from the website : csjmissioni.it .

Please remember that contributions and donations to CSJ Missioni are tax deductible and/or deductible.

We would be happy to invite you all to the video conference to launch the **"A Slice of the Future"** campaign on October 25th at 5:30 pm.
